PROPOSALS FOR THE NEGOTIATIONS ON AGRICULTURE

With a view to carrying out the decisions adopted by the Trade Negotiations Committee (paragraph 3(d) of document TN.64/39/Rev.1) the following procedures might be suggested:

1. The discussions mentioned in paragraph 3(d) of document TN.64/39/Rev.1 will in principle relate to products included in the first twenty-four chapters of the Brussels Nomenclature.
2. For the purpose of the discussions these products will be arranged in ten groups (see Appendix).
3. The discussions will be conducted for each of these groups of products by the Committee on Agriculture it being understood that the attendance at the meetings would in practice vary in accordance with the product or products under discussion.¹
4. For products within the scope of the Groups on Meat and Dairy Products, the discussions will be conducted by the Groups with the addition of such other participating countries in the negotiations as may be added to the Groups for this purpose because of their interest in or the influence upon the production and trade of the products in question. The meetings of these two Groups for this purpose have been included in the programme of meetings proposed in paragraph 5 hereunder.
5. The meetings of the Committee on Agriculture, the Group on Meat and the Group on Dairy Products will be held on the following dates:

10-13 May	Committee on Agriculture	(Rice/cereal preparations)
14 May	Committee on Agriculture	(Beverages)
17-21 May	Group on Dairy Products	
24-28 May	Group on Meat
