PRODUCTS OF SPECIAL INTEREST TO THE EXPORTS OF  
LESS-DEVELOPED COUNTRIES

Communication from Nicaragua

The following communication has been received from the delegation of Nicaragua.

I have the honour of submitting the following list of products of special export interest to my country. It would be highly appreciated if the enclosed list were added to those already presented by my Government (documents TN.64/LDC/3 and TN.64/LDC/6), with a view to obtaining the exclusion of the items mentioned therein from the lists of exceptions to the linear reduction of 50 per cent and to securing a greater reduction of tariffs on such items which are of great importance for the diversification programme incorporated in the general economic development plan of my country.

Fish, frozen, whole, steaked, filleted, canned and cured
