Communication from Chile

Revision

The following communication has been received from the delegation of Chile.

I have the honour to request you to make the following corrections to the revised list of products which are, or might be, of special interest to Chile and which my Government would wish to see excluded from the exceptions lists in the Kennedy Round (TN.64/LDC/32).

Page 5: Item 73.02. The product description should be amended to read "Ferro-alloys, ferro-manganese, ferro-silicon, ferro-silicon-manganese".

After item 84.63, add "item 84.65, Parts for machinery, apparatus and equipment of metal, not containing electrical connectors, insulators, coils, contacts or other electrical features and not falling within any other heading within this Chapter".

Page 6: Item 85.01. The product description should be amended to read "Transformers, rotary or static converters, rectifiers and inductors. Electric motors, monophasic up to 2 HP and triphasic up to 10 HP. Parts thereof".

After item 92.11, add "item 92.13, Other accessories and parts of equipment included in item 92.11".

Item 94.03. The product description should be amended to read "Steel furniture for offices or kitchens. Other furniture and parts thereof".

Item 96.04. The product description should be amended to read "Feather dusters, of all kinds".
