THE BASE DATE AND THE LEVEL OF DUTIES BY REFERENCE TO WHICH
THE 50 PER CENT LINEAR REDUCTION WOULD BE CALCULATED

Notifications by Governments

Addendum

FINLAND

The following communication has been received from the Government of Finland.

With reference to document TN.64/NP/13/Rev.1, I have the honour to inform you that the Finnish notification on the base date and level of duties, by reference to which the across-the-board reduction in the Kennedy Round would be calculated, is made under the understanding that in cases where goods, as a result of the Brussels Nomenclature amendments which will enter into force on 1 January 1965, will be transposed from one tariff heading to another, the base rates of duty are, in principle, those which were, on 1 January 1964, in force for the headings and sub-headings to which the goods will be transposed.
