The following communication, dated 22 January 1965, has been received from the delegation of Sweden:

"In the course of the present trade negotiations a request has been made that participating countries basing the linear cut on GATT-bound duties which in certain cases are higher than those stated in the published tariff should supply a list showing the difference between the two rates.

"In answer to this request I have the honour to send you under separate cover ninety copies of such a list where both ceiling rates (rates bound in GATT) and applied rates (rates published in the Swedish Customs Tariff) are stated for the products concerned."

Copies of the list can be obtained from the secretariat upon request (Tel. No. 34 86 00, Ext. 24).
