## Group on Tropical Products

### PROPOSED INDICATIVE LIST OF PRODUCTS OR GROUPS OF PRODUCTS FOR CONSIDERATION BY THE GROUP

At the meeting of the Trade Negotiations Committee on 18 March 1965, the secretariat was asked to prepare an indicative list of goods mainly produced in the tropical countries and which were important in the export trade of these countries. This list should not, in this or any other negotiation, have a binding effect as regards the definition of tropical products; it should serve only as an exemplification of products which could be considered as tropical.
