COMMUNICATION FROM PARAGUAY

The following communication dated 11 November 1974 from the representative of Paraguay has been received by the Chairman of the Committee of Participating Countries.

I have the honour, on behalf of my Government, to convey to you the desire of the Republic of Paraguay, as a developing country, to accede to the Protocol relating to Trade Negotiations among Developing Countries.

In this connexion I would request you to kindly transmit this application to the countries participating in the Protocol so that, in pursuance of paragraph 14 of the Protocol, the Committee of Participating Countries may authorize the Republic of Paraguay to accede without carrying out negotiations for the exchange of concessions, adopting a Protocol of accession which establishes the terms or conditions to be applicable.
