ACCREDITATION OF DELEGATIONS TO THE
MULTILATERAL TRADE NEGOTIATIONS

Note by the Director-General

Since the Trade Negotiations Committee and the various groups of the multilateral trade negotiations are in continuous session and are reconvened, where necessary, at short notice, several delegations have considerably reinforced their representation in Geneva.

In order to facilitate contacts between delegations it would be helpful if a list of representatives resident in Geneva could be prepared and circulated to all participating countries. In order to enable such a list to be prepared I would be grateful if all delegations participating in the negotiations could notify me by 16 February of the names of the members of their delegation, resident in Geneva, whether members of the permanent mission or especially accredited for the purpose of the negotiations.
