GROUP 3(b) - INVENTORY OF NON-TARIFF MEASURES

Communication from Japan

In a communication dated 6 June 1974, the Japanese delegation has requested that Group 3(b), at its meeting of 25-28 June 1974, consider the following notifications of the Inventory of the Non-Tariff Measures:

1. Number 50.1 - notification against United States on Domestic International Sales Corporation, made by Japan and three other countries.
2. Number 405 - notification on Surveillance System against the European Economic Community, made by Japan.

The Japanese delegation has added that these two items should not be considered as exhaustive, as the examination on the inventory of notification by the Japanese authorities has not been completed definitely, and that the Japanese delegation reserves the right to add other notifications which it may find appropriate for the consideration in the above-mentioned meeting of June.
