Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Cattle for breeding (01.02)	Denmark	Switzerland

(a) Description:

H.S.

(b) Comments by other countries:

Switzerland - The veterinary regulations are very complicated and difficult to comply with; it is consequently almost impossible to export to Denmark.

(c) Comments by countries maintaining the measures:

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Preserved meat, sauces, soups (16.02)	Denmark	Switzerland

(a) Description:

H.S.

(b) Comments by other countries

Switzerland - For all these meat-based products, a veterinary certificate is compulsory.
The sanitary regulations and methods of analysis are considered extremely stringent.
(also applies to headings 21.04 and 21.05.

(c) Comments by countries maintaining the measures:

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Jams (20.05)	Germany	Switzerland

(a) Description:

H.S.

(b) Comments by other countries:

Switzerland - Prohibition of importation of jams with less than a certain minimum sugar content. This measure is based on an order dating from 1938.

(c) Comments by countries maintaining the measures:

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Preserved meat and meat- based products (16.02)	Netherlands	Switzerland

(a) Description:

H.S.

(b) Comments by other countries:

Switzerland - The very stringent sanitary regulations require complicated and in some cases expensive analyses. Veterinary inspection of pig meat-based products is so strict that it constitutes a serious obstacle to exportation of these products.

(c) Comments by countries maintaining the measures:

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Food products (general)	United Kingdom	Switzerland

(a) Description:

The use of sorbate as a preservative is forbidden.

(b) Comments by other countries:

(c) Comments by countries maintaining the measures:

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Cattle for breeding (01.02)	United Kingdom	Switzerland

(a) Description:

H.S.

(b) Comments by other countries:

Switzerland - Veterinary inspection and quarantine are very exacting and expensive, so much so that it is practically impossible to export cattle to the United Kingdom.
