UNITED STATES

Product: (BTN)	Country or group maintaining measure:	Countries indicating an interest:
Wine (22.05)	United States	Hungary

(a) Description:

Packing and labelling regulations

(b) Comments by other countries:

Hungary: Too strict marking and labelling regulations; and requirements for presenting documents/labels should be approved.

(c) Comments by country maintaining the measures:

The Hungarian comment is not specific enough to enable a substantive response.

(a) Description:

Packing and labelling regulations

(b) Comments by other countries:

(c) Comments by country maintaining the measures:

All processed food products are subject to inspection by the Food and Drug Administration of the United States Department of Health, Education, and Welfare at the time of entry through United States customs. The purpose of this inspection is to determine compliance with the health, sanitary and labelling requirements of the United States Food, Drug and Cosmetic Act as well as the Fair Packaging and Labelling Act. Such inspections are applied on a non-discriminatory basis, i.e., they are applicable to all countries.
