#### TARIFF AND NON-TARIFF MEASURES ON PRODUCTS OTHER THAN THOSE COVERED BY THE PRODUCT SUB-GROUPS

##### Note by the Secretariat

For the information of delegations, the following working arrangements, which will be subject to review at the next meeting of Group "Agriculture" are being adopted by the secretariat in relation to notifications submitted in accordance with the procedures agreed upon by the Group at its meeting on 16 December 1975 (MTN/AG/4):

- (a) notifications received will be transmitted directly to the countries in respect of which the notifications are made. The countries concerned would be requested to inform the secretariat of the arrangements envisaged for organizing consultations on the basis of such notifications; and
- (b) at regular intervals the secretariat will issue lists of notifications submitted. These will be circulated to all participants in the negotiations and will provide, in a summary form, information on the products, the measures and the countries concerned. It is proposed that these summaries will be issued weekly or at such other intervals as will ensure that participants in the work of the Group "Agriculture" are kept informed as to any matters which may be of direct interest for their trade.
