REPORT ON CONSULTATIONS HELD UNDER THE PROCEDURES OF MTN/AG/4

HUNGARY

At its meeting on 20 December 1976, Group "Agriculture" agreed that delegations having participated in consultations should endeavour, in advance of the next meeting, to send to the secretariat summary notes with respect to the consultations in which they had participated. The secretariat would assemble and distribute the summaries in order to facilitate a decision concerning the further work of the Group.

In accordance with this procedure, Hungary has sent the secretariat the following note.

Note on Consultations Held Between Hungary and Austria Under the Procedures of MTN/AG/4

Under the procedures of MTN/AG/4, consultations were held on 19 July 1977 between Hungary and Austria covering the notification addressed to Austria by Hungary contained in document MTN/AG/W/11/Add.4/Rev.1. The consultation provided additional details on the import régimes applied by Austria to the products notified and allowed the Hungarian partner to indicate the items in which it has a specific interest.

The consultation was considered by the two delegations to have been useful, making for a better understanding of the situation. The Austrian delegation indicated its interest in certain agricultural products exported by Austria, and reserved its right to consult on them at a later stage.
