ARTICLE VI PARAGRAPH 9(C):

Statistics on the total number and value of contracts awarded under each of the causes of Article V, paragraph 15 - Single Tendering

Relevant sub-paragraph of Article V:15	Total number of contracts	Total value of contract ('000 SDR)
(a) In the absence of tenders in response to an open or selective tender, or when the tenders submitted have been either collusive or do not conform to the essential requirements in the tender, or from suppliers who do not comply with the conditions for participation provided for in accordance with this Agreement, on condition, however that the requirements of the initial tender are not substantially modified in the contract as awarded	100	8,872.28
(b) When, for works of art or for reasons connected with protection of exclusive rights, such as patents or copyrights, the products can be supplied only by a particular supplier and no reasonable alternative or substitute exists	142	11,486.07
(c) Insofar as is strictly necessary when, for reasons of extreme urgency brought about by events unforeseeable by the entity, the products could not be obtained in time by means of open or selective tendering procedures	21	625.35
(d) For additional deliveries by the original supplier which are intended either as parts replacement for existing supplies of installations, or as the extension of existing supplies or installations where a change of supplier would compel the entity to purchase equipment not meeting requirements of interchangeability with already existing equipment	312	19,009.37
(e) When an entity purchases prototypes or a first product which are developed at its request in the course of, and for, a particular contract for research, experiment, study or original development. When such contracts have been fulfilled, subsequent purchases of products shall be subject to paragraphs 1-14 of this Article	4	174.04
(f) To help the blind people (Contract awarded to the Society for the Blind)	2	511.37
Grand Total	581	40,678.48
