Dear Mr. Maggio,

Australia - Colombia.

I refer to my memorandum of 5th May in which the Australian Delegation informed the secretariat that representatives of Australia and Colombia held their first exploratory talk on 5th May and that they proposed to hold a further meeting.

Please be advised that the second exploratory talk was held today at which it was mutually agreed that no basis existed for tariff negotiations between Colombia and Australia.

Yours sincerely,

Australian Delegation

Australian-Colombian Discussions.

Dear Sir:

The Australian and Colombian Delegations have reviewed the trade possibilities between their respective countries.

After due consideration, it has been mutually agreed that there are no basis to justify negotiations for tariff concessions.

Very truly yours,
