

LIBERIAN DELEGATION  
GENERAL AGREEMENT ON TARIFFS AND TRADE  
ANNECY

June 3, 1949

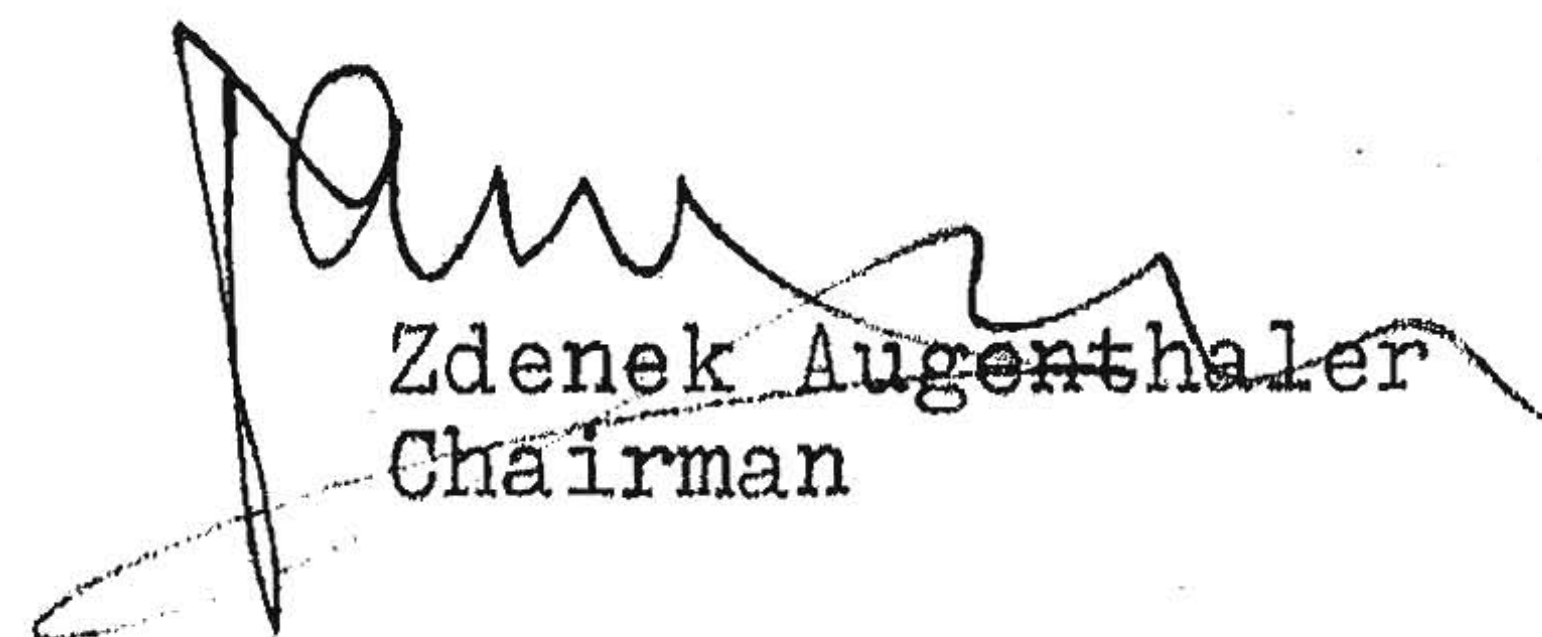

The Secretariat  
G.A.T.T.  
Annecy, France

You are informed that after exploratory talks it has become clear to both delegations that there is not sufficient economic basis to justify a reciprocal agreement. However, to further the general principles and objectives of GATT, it has been mutually agreed that each government will accord the most favored nation treatment to the trade of the other.
