9 August 1949

TO: THE EXECUTIVE SECRETARY

The Delegations of Cuba and Italy wish to inform the Secretariat of GATT that after several exploratory conversations they have found that for the moment there does not seem to exist any basis for tariff negotiations between Cuba and Italy.

Both Delegations wish to advise at the same time that, animated as they are by the desire to facilitate and increase international trade, they will continue to explore further any possibilities of agreement which may exist in the future.
