Geneva.

Dear Mr. Wyndham White:

Further to my letter of August 18th and
in accordance with document E/PC/T/172 of August 15th, I
enclose copies of letters including statements of Canadian
tariff concessions which this Delegation has sent to the
Delegation of Czechoslovakia, on completion of our tariff
negotiations with that country.

Enclosures: Our letter of August 2nd to the Czechoslovak
Delegation setting forth our understanding
arrived at in negotiations with that country
in respect of the tariff treatment of commo-
dities regarding which concessions in the
Canadian tariff were sought by Czechoslovakia.

Our letter of August 6th to the Czechoslovak
Delegation on the subject of acetylene black.

Our letter to the Czechoslovak Delegation of
August 21st on the subject of wheat.

(The Czechoslovak answer to this letter was
received this morning in which they state
that negotiations can now be considered
completed.)

Further in connection with my letter of August
18th, page 2, we have now received the Chilean reply to our
letter to them of August 14th and consequently have reported
our negotiations as completed in our report to you this day on
the Progress of Tariff Negotiations.

Yours faithfully,

Dear Dr. Coufal:

I acknowledge with thanks your letter of August 14th concerning the Customs import duty on wheat under Item 23 of the Czechoslovak Customs Tariff.

Our delegation has given careful thought to the idea of including a protocol to the Trade Agreement, along the lines suggested in your letter, pertaining to the wheat price stabilization scheme of the Czechoslovak Government. I regret to say that we have not been able to see our way clear to the inclusion of such a protocol. We understand that you do not wish to bind the maximum import duty on wheat and consequently our delegation would prefer to remove wheat from your schedule to the Trade Agreement. If the item concerning wheat is deleted, as we suggest, the Canadian Delegation would consider our negotiations to have been completed.

Yours faithfully,

CONFIDENTIAL

Dear Dr. Coufal:

I beg to acknowledge receipt this day of yours of the 4th inst. (replying to mine of the 2nd inst.) enclosing two (2) copies of the "final list of offers of concessions (to Canada) under the Czechoslovak Customs Tariff."

We have perused this enclosure to your letter and have found it to be in order. Perhaps I should, for the record, add that it is our understanding in respect of Tariff Item ex 605 (a), "Lamp black", that this phrase will be deemed to include acetylene black. This point might be clarified by a foot-note to the item, or by means of a protocol of signature, or -- and this would be quite sufficient from our standpoint -- by your confirmation that we are in agreement as to interpretation of the words.

I enclose the information regarding existing and proposed rates requested in the first paragraph of your letter.

I presume it is now in order for both of us to notify the Secretariat that our negotiations have been completed?

With kindest regards.

Dear Dr. Coufal:

This will confirm that, as a consequence of the tariff negotiations between our Delegations, the understanding arrived at in respect of the tariff treatment of commodities regarding which concessions in the Canadian Tariff were sought by Czechoslovakia is as set forth in the statement attached hereto.

As in the case of your own country, these adjustments in duties are subject to confirmation by the Government of Canada as part of mutually-advantageous agreements in respect of Tariffs and Preferences.

May I be permitted to express our appreciation of the cordial atmosphere in which our discussions have been held.
