**Barbara Beltrame**

Barbara Beltrame Giacomello is a woman, mother and entrepreneur with an international background, currently Head of Communications at AFV Beltrame Group, the most important Italian player in the steel manufacturing industry. The beliefs in her Country, in the future that Italy deserves and in the next generations that will turn this future into reality, are the core values that inspire her daily commitment. After serving as Vice President of Confindustria Vicenza, since May 2020 she is National Vice President of Confindustria, in charge of internationalization. She is also proud to be a member of the ICE Board of Directors and president in charge of Businessmed.
