

Jochum Reuter – BIO

Jochum has been with FourKites since 2019 when he launched the company's European operations. He is responsible for FourKites' overall EMEA operations and his primary focus is to build, grow and nurture relationships with FourKites' EMEA customers, such as Dow, AB InBev and Henkel. Additionally he focuses on building FourKites' network of carriers while growing a vibrant ecosystem of partnerships and alliances throughout EMEA. Jochum also shapes the work environment for FourKites' growing staff in the Netherlands, Germany, France and in the near future Poland.

Sustainability is a core tenet of FourKites' philosophy and Jochum is hyper-focused on enabling FourKites' EMEA customers embed sustainability throughout every level of their supply chain.
