Cotton Portal

Trade Intelligence for Cotton

The Cotton Portal provides a single entry point for all the cotton-specific information available in WTO and ITC databases on market access, trade statistics, country-specific business contacts and development-assistance related information, as well as links to relevant documents and webpages. It also provides links to other organisations active on cotton.

Cotton news

Cotton producers call for progress in curbing domestic subsidies
Monday, July 24, 2017
An overwhelming majority of WTO members have reiterated their support for a meaningful and specific outcome on cotton domestic support, the chair of the agricultural negotiations, Ambassador Stephen Ndung'u Karau of Kenya, said during the latest discussions on cotton on 24 July 2017.

DDG Agah: "Encouraging progress in cotton negotiations made but more to be done"
Tuesday, April 18, 2017
