

ACKNOWLEDGEMENTS

The *World Trade Report 2008* was prepared under the general direction of Deputy Director-General Alejandro Jara. Patrick Low, Director of the Economic Research and Statistics Division, led the team responsible for writing the Report. The principal authors of the Report were Marc Bacchetta, Chad Bown, K. Michael Finger, Marion Jansen, Alexander Keck, Roberta Piermartini, Michele Ruta and Robert Teh. Trade statistics information was provided by the Statistics Group of the Economic Research and Statistics Division, coordinated by Hubert Escaith, Julia de Verteuil, Andreas Maurer and Jürgen Richtering.

Aishah Colautti of the Economic Research and Statistics Division assisted in the preparation of the graphical input and Souda Tandara-Stenier of the Economic Research and Statistics Division prepared the bibliography. Research assistance was provided by Cosimo Beverelli, Pamela Bombarda, Elisa Gamberoni, Andreas Hoefele, Michael Kolie, Rainer Lanz and Linda Rousova. Comments on drafts at various stages of preparation by many colleagues in other divisions in the WTO Secretariat are highly appreciated.

The authors also wish to thank the following individuals from outside the WTO Secretariat who took the time to provide comments on drafts of the Report: Alan Deardorff, Gino Gancia, Hildegunn Kyvik Nordås, Marcelo Olarreaga, Gianmarco Ottaviano and Simon Schropp.

The production of the Report was managed by Paulette Planchette of the Economic Research and Statistics Division in close cooperation with Anthony Martin and Serge Marin-Pache of the Information and Media Relations Division. Anthony Martin assisted by Paulette Planchette and Lidia Carlos Silvetti provided editorial assistance. Gratitude is also due to the translators in the Language Services and Documentation Division for their hard work.

DISCLAIMER

The *World Trade Report* and any opinions reflected therein are the sole responsibility of the WTO Secretariat. They do not purport to reflect the opinions or views of members of the WTO. The main authors of the Report also wish to exonerate those who have commented upon it from responsibility for any outstanding errors or omissions.
