Article 16
Committee on Anti-Dumping Practices

1.1 There is hereby established a Committee on Anti-Dumping Practices (referred to in this Agreement as the "Committee") composed of representatives from each of the Members. The Committee shall elect its own Chairman and shall meet not less than twice a year and otherwise as envisaged by relevant provisions of this Agreement at the request of any Member. The Committee shall carry out responsibilities as assigned to it under this Agreement or by the Members and it shall afford Members the opportunity of consulting on any matters relating to the operation of the Agreement or the furtherance of its objectives. The WTO Secretariat shall act as the secretariat to the Committee.

1.2 The Committee may set up subsidiary bodies as appropriate.

1.3 In carrying out their functions, the Committee and any subsidiary bodies may consult with and seek information from any source they deem appropriate. However, before the Committee or a subsidiary body seeks such information from a source within the jurisdiction of a Member, it shall inform the Member involved. It shall obtain the consent of the Member and any firm to be consulted.

1.4 Members shall report without delay to the Committee all preliminary or final anti-dumping actions taken. Such reports shall be available in the Secretariat for inspection by other Members. Members shall also submit, on a semi-annual basis, reports of any anti-dumping actions taken within the preceding six months. The semi-annual reports shall be submitted on an agreed standard form.

1.2.2 Reporting by the Committee on Anti-Dumping Practices

2. The Committee on Anti-Dumping Practices reports annually on its activities to the Council for Trade in Goods.2

1.3 Articles 16.4 and 16.5: Reporting by Members on anti-dumping actions

3. Article 16.4 of the Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade 1994 (Anti-Dumping Agreement) requires Members to report without delay all preliminary or final actions taken. At its meeting of 30 October 1995, the Committee on Anti-Dumping Practices adopted guidelines for the minimum information to be provided under Article 16.4 of the Anti-Dumping Agreement in reports on all preliminary or final anti-dumping actions.3 On 21 October 2009, the Committee adopted its most recent amended guidelines for reports on anti-dumping actions4.

4. Article 16.4 of the Anti-Dumping Agreement also requires Members to submit semi-annual reports of all anti-dumping actions they have taken. These semi-annual reports are normally submitted by mid-February, covering the period from 1 July through 31 December of the previous calendar year, and by mid-August, covering the period from 1 January through 30 June of the current calendar year. Members that have not taken any such actions during a covered period shall submit nil notifications. At its meeting of 30 October 1995, the Committee on Anti-Dumping Practices adopted guidelines for the format of, and information to be provided in, these semi-annual reports.5 The Committee adopted amended guidelines for the format of such reports on 27 November 2008.6

5. Article 16.5 of the Anti-Dumping Agreement requires Members to notify to the Committee on Anti-Dumping Practices which of its authorities are competent to initiate and conduct anti-dumping investigations. The list of such notifications, including addresses and contact numbers of the notified authorities, is periodically updated and circulated.7

6. On 21 October 2009, the Committee adopted what is known as the format for a "one-time notification" under Articles 16.4 and 16.5 of the Anti-Dumping Agreement. This format was developed to be used by Members that have not established an authority competent to initiate and conduct an investigation within the meaning of Article 16.5 and thus has not, to date, taken any anti-dumping actions within the meaning of Article 16.4 and does not anticipate taking any anti-dumping actions for the foreseeable future. One-time notifications remain valid until further notice.8

7. On 21 October 2009 as well, the Committee agreed that each Member "shall submit its anti-dumping notifications, including the ad hoc reports on all anti-dumping actions and the minimum information format, in an electronic form."9

8. Semi-annual reports, lists of ad hoc actions notified, one-time notifications and lists of competent authorities, etc., are circulated as unrestricted documents. In addition, the Secretariat website makes available a range of updated statistics on anti-dumping actions, e.g. by exporter, reporting Member, and product sector.10
