Article 10

Third Parties

1. The interests of the parties to a dispute and those of other Members under a covered agreement at issue in the dispute shall be fully taken into account during the panel process.

2. Any Member having a substantial interest in a matter before a panel and having notified its interest to the DSB (referred to in this Understanding as a "third party") shall have an opportunity to be heard by the panel and to make written submissions to the panel. These submissions shall also be given to the parties to the dispute and shall be reflected in the panel report.

3. Third parties shall receive the submissions of the parties to the dispute to the first meeting of the panel.

4. If a third party considers that a measure already the subject of a panel proceeding nullifies or impairs benefits accruing to it under any covered agreement, that Member may have recourse to normal dispute settlement procedures under this Understanding. Such a dispute shall be referred to the original panel wherever possible.

1.2 Article 10.2

1.2.1 Timing of requests to participate as a third party

1. At the June 1994 GATT General Council meeting, the Chairman of the GATT General Council made the following statement:

"At the February 1994 Council meeting, the United States raised the question of third-party participation in panels. The late notification by a contracting party of its intention to participate in a panel may create difficulties, for example in relation to the determination of the panel's composition. Another problem that has occurred relates to the reception by third parties, in good time, of the submissions of the parties to the dispute to the first meeting of a panel.

After consultations, and in order to avoid such difficulties, I propose that the Council agree to the following practices in future, without prejudice to the rights of contracting parties under established dispute settlement procedures:

1. Delegations in a position to do so, should indicate their intention to participate as a third party in a panel proceeding at the Council session which establishes the panel. Others who wish to indicate a third party interest should do so within the next ten days.

2. Further to paragraph F(e) (3) of the Decision of 12 April 1989 (BISD 36S/61) and to the Decision of 22 February 1994 (L/7416), it is the understanding of the Council
that third parties shall receive the submissions of the parties to the dispute to the first meeting of a panel established by the Council."\(^1\)
