Article XVII

National Treatment

1. In the sectors inscribed in its Schedule, and subject to any conditions and qualifications
set out therein, each Member shall accord to services and service suppliers of any other

favourable than that it accords to its own like services and service suppliers. 10

(footnote original) 10 Specific commitments assumed under this Article shall not be construed
to require any Member to compensate for any inherent competitive disadvantages which
result from the foreign character of the relevant services or service suppliers.

2. A Member may meet the requirement of paragraph 1 by according to services and
service suppliers of any other Member, either formally identical treatment or formally
different treatment to that it accords to its own like services and service suppliers.

3. Formally identical or formally different treatment shall be considered to be less
favourable if it modifies the conditions of competition in favour of services or service
