1 ARTICLE 10 OF THE AGREEMENT ON SUBSIDIES AND COUNTERVAILING MEASURES

1.1 Text of Article 10

Article 10

*Application of Article VI of GATT 1994*³⁵

(footnote original) ³⁵ The provisions of Part II or III may be invoked in parallel with the provisions of Part V; however, with regard to the effects of a particular subsidy in the domestic market of the importing Member, only one form of relief (either a countervailing duty, if the requirements of Part V are met, or a countermeasure under Articles 4 or 7) shall be available. The provisions of Parts III and V shall not be invoked regarding measures considered non-actionable in accordance with the provisions of Part IV. However, measures referred to in paragraph 1(a) of Article 8 may be investigated in order to determine whether or not they are specific within the meaning of Article 2. In addition, in the case of a subsidy referred to in paragraph 2 of Article 8 conferred pursuant to a programme which has not been notified in accordance with paragraph 3 of Article 8, the provisions of Part III or V may be invoked, but such subsidy shall be treated as non-actionable if it is found to conform to the standards set forth in paragraph 2 of Article 8.

Members shall take all necessary steps to ensure that the imposition of a countervailing duty³⁶ on any product of the territory of any Member imported into the territory of another Member is in accordance with the provisions of Article VI of GATT 1994 and the terms of this Agreement. Countervailing duties may only be imposed pursuant to investigations initiated³⁷ and conducted in accordance with the provisions of this Agreement and the Agreement on Agriculture.

(footnote original) ³⁶ The term "countervailing duty" shall be understood to mean a special duty levied for the purpose of offsetting any subsidy bestowed directly or indirectly upon the manufacture, production or export of any merchandise, as provided for in paragraph 3 of Article VI of GATT 1994.

(footnote original) ³⁷ The term "initiated" as used hereinafter means procedural action by which a Member formally commences an investigation as provided in Article 11.
