

Webinar Series on Economic Resilience

## ECONOMIC RESILIENCE IS THE NEW NORMAL?

4 March 2021 4:00-5:30 pm CET

**Irina Zodrow** is the Head of Partnerships and Stakeholder Engagement at the UN Office for Disaster Risk Reduction and coordinates the organizations engagement with the private and financial sector, NGOs, scientists and Parliamentarians in support of risk informed development and investment.

Irina joined the United Nations in 2006 and has extensive experience in policy, partnerships and fundraising for sustainable development, environmental affairs, climate change and disaster risk reduction. Prior to joining the UN, Irina worked as a commercial lawyer in Germany and Australia. Irina holds a Master of Laws from Melbourne University and is a qualified lawyer in Germany and the UK.
