

Webinar Series on Economic Resilience

ECONOMIC RESILIENCE IS THE NEW NORMAL?

4 March 2021 4:00-5:30 pm CET

Leila Baghdadi is Professor of Economics at ESSECT, University of Tunis, where she holds the World Trade Organization Chair. She is an executive board member of the Central Bank of Tunisia since August 2019. She was appointed as a member of the Tunisian Council of Economic Analysis reporting to the Chief of Government from November 2017 to February 2021.

Her research interests include international trade, firms and entrepreneurship, and migration. Leila received her PhD from University Paris 1, Pantheon Sorbonne in 2008. In 2006, she was a WTO PhD fellow. She joined University of Rome Tor Vergata as a Marie Curie Researcher in September 2007.
