

Webinar Series on Economic Resilience

ECONOMIC RESILIENCE IS THE NEW NORMAL?

4 March 2021 4:00-5:30 pm CET

Monika Mrázová is an Associate Professor of Economics in the Geneva School of Economics and Management, University of Geneva. She is also a Research Affiliate at the Centre for Economic Policy Research and Research Network Fellow at the Center for Economic Studies. Professor Mrázová's research focuses on the effects of economic integration on various aspects of international trade, including the economics of International Trade Agreements and firm behaviour in a globalised economy.

She obtained her PhD in Economics from the University of Oxford.
