Based on Article 88 item 2 of the Constitution of the Republic of Montenegro I hereby promulgate the

**LAW ON ADMINISTRATIVE FEES**

**I GENERAL PROVISIONS**

**Article 1**

This Law regulates the payment of administrative fees for documents and procedures before state administration bodies, diplomatic and consular representative offices of Montenegro abroad, local government bodies and other legal entities having public authorizations.

The fee referred to in paragraph 1 of this Article shall be established by the Tariff for Administrative Fees (hereinafter referred to as Fee Tariff) that makes an integrated part of this Law.

Fee Tariff for documents and procedures within the competence of local government shall be established by an authorized body of the local government.

The fee referred to in paragraph 3 of this Article may not exceed the amount of fees paid for similar documents and procedures undertaken before state administration bodies.

**II FEE TAXABLE PERSON**

**Article 2**

A fee taxable person is a person at whose request a procedure is initiated, i.e. the activity specified by the Fee Tariff is carried out.

If there are several fee taxable persons for the same fee that is not dependent on the value of the subject of fee obligation, they shall be jointly liable.

If the request is submitted by several fee taxable persons and the amount of the fee depends on the subject value, the fee shall be determined proportionally to the subject value for each fee taxable person individually.

**III FEE OBLIGATION OCCURRENCE**

**Article 3**

Unless otherwise prescribed by the Fee Tariff, the fee obligation shall arise with regard to:

1) submissions – at the moment they are submitted, and for requests regarding Minutes – at the moment the Minutes are made;

2) resolutions, licenses and other documents – at the moment the request for their issuance is submitted; and
3) administrative procedures - at the moment the request for such procedures is submitted.

**Article 4**

If it is prescribed by the Fee Tariff that the fee is to be paid according to the subject value, the value indicated in the submission or document shall be considered as the fee base.

A body that conducts the procedure may determine ex officio the subject value referred to in paragraph 1 of this Article by means of a decision, if it considers that the value indicated in the submission or document does not correspond to the real value.

**IV ESTABLISHMENT OF THE SUBJECT VALUE FOR CHARGING FEES**

**Article 5**

When upon a request of a party a document is issued in multiple counterparts, for each subsequent counterpart the fee shall be paid as in the case of a transcript or transcript authentication.

The fee referred to in paragraph 1 of this Article may not exceed the fee paid for the first counterpart.

No fee shall be paid for counterparts of documents that are at request of the party kept for the needs of the body before which the procedure is conducted.

**V PAYMENT OF FEE OBLIGATIONS**

**Article 6**

A fee shall be paid at the moment when the fee obligation arises, unless otherwise determined by this Law.

**Article 7**

A fee taxable person shall be obliged to enclose an adequate evidence of the fee payment, which may also be filed in electronic form.

A fee shall be paid into relevant public revenue deposit account, or FX account of diplomatic consular representative office.

Detailed conditions and manner of payment of the fee shall be established by the Government of Montenegro by means of a special regulation.

**Article 8**

Decision or other document for which a fee is paid must include the statement specifying that the fee is paid (the amount and Tariff Item in respect of which the fee is paid), and the same shall be authenticated by the seal of the competent body.
Article 9

If a non-taxed or insufficiently taxed submission or other document is filed by mail or e-mail, the body responsible for determining in respect of the request shall send a reminder to the fee taxable person to pay the regular fee and the fee for the reminder within three days upon receiving the reminder, and remind him of the consequences of non-payment of the fee.

Article 10

A fee taxable person, who files a request from abroad for initiation of the procedure before the competent body, i.e. for performance of actions envisaged by the Fee Tariff, shall pay a fee in the foreign currency at a diplomatic-consular representative office before the delivery of the resolution or other document, i.e. before the first notice on the completion of the procedure is issued to the fee taxable person, unless otherwise prescribed by the Law.

In the case of the situation referred to in paragraph 1 of this Article the body with which the request is filed shall be obliged to submit to the diplomatic-consular representative office two counterparts of the notice specifying the amount of the fee a fee taxable person is obliged to pay to a diplomatic-consular representative office.

Article 11

The fee for non-taxed or insufficiently taxed submissions and other documents that are sent by mail from abroad shall be collected before the requested decision or other document is delivered, i.e. before the first notice on the completion of the procedure is issued to the fee taxable person.

Article 12

The right to collect the fee shall lapse upon two years after the expiry of the year when the fee should have been paid, and the right to the fee refund shall lapse after two years upon the expiry of the year when the fee is overpaid.

The statue of limitations of the right to collect a fee shall terminate upon any official action undertaken by the body for the purpose of collection, which the fee taxable person is knowledgeable of.

The statue of limitations of the right to refund of the fee shall terminate upon any action undertaken by the fee taxable person with the competent body for the purpose of fee refund.

In any case, the statue of limitations shall become effective after the five-year-period from the moment it starts running for the first time (absolute statute of limitations).

VI FEE EXEMPTION

Article 13

The following shall be fee exempted:

1) state authorities, state administration authorities, local self-government authorities and local government authorities;
2) organizations of compulsory social insurance;
3) organizations from the area of health, science, culture, education and social care;
4) organizations of red cross and other humanitarian organizations;
5) organizations in the area of child and youth protection and social welfare categorized according to the regulation on unique classification of activities;
6) foreign citizens and foreign countries, if prescribed by an international contract or under mutual clause;
7) non-governmental organizations in order to achieve the goals they are established for.

**Article 14**

The fee shall not be paid for:
1) documents and actions in procedures conducted ex officio;
2) documents and actions in the procedure for refund of overpaid taxes and other duties;
3) documents and actions in the procedure for correcting errors in decisions, other documents and official records;
4) documents and actions in the procedure for registration with the registers of birth, marriage and death, and citizenship registers;
5) any type of applications, reports and their attachments for determining taxes and other duties and submissions for exercising the right to tax relieves and exemptions and relieves and exemptions related to other duties, as prescribed by special laws;
6) documents and actions for exercising the right regarding the area of social insurance, child care, social protection, protection of veterans and disabled persons and protection of civilians disabled in war;
7) documents and actions for exercising the right in the area of health, pension and disability insurance;
8) documents and actions regarding the education of pupils and students;
9) documents and actions regarding the regulation of rights and obligations from the defence area;
10) petitions, requests and proposals addressed to state bodies;
11) submissions to the state prosecutor;
12) documents and actions in the procedure for establishing of employment and the exercise of labour-based rights;
13) applications for legal release from the penalty, parole from prison and decisions on these applications;
14) documents and actions in the procedure for producing and amending electoral rolls;
15) permanent and temporary residence signing in and signing out;
16) documents and actions in the procedure for issuance and extension of ID cards of citizens Montenegro and foreign citizens who permanently reside in Montenegro;
17) documents and actions regarding maritime and ship logs and any entries recorded in them, excluding visas;
18) documents and actions in the burial procedure.

The document that is subject to fee-exempted issuance must specify its purpose and the regulation based on which it is fee-exempted.

The document referred to in paragraph 2 of this Article may be used for other purposes only after the payment of an adequate fee.

**VII FEE REFUND**

**Article 15**

A fee taxable person who has paid a fee he is under no obligation to pay or who has paid an amount exceeding the amount of the prescribed fee or a fee for an action that has not been
carried out by a body due to any reasons shall be entitled to refund of the fee he should have not paid.

A fee taxable person who has paid a fee for the appeal against the first instance decision made by the body referred to in Article 1 of this Law shall be entitled to fee refund, if the appeal is considered to be entirely or partially grounded.

The procedure for fee refund shall be initiated at the request of a fee taxable person.

The request for fee refund shall be determined by the body for whose work the fee has been paid.

### VIII ALLOCATION OF FEE REVENUES

#### Article 16

Fee paid for documents and procedures with ministries, other administration bodies and diplomatic-consular representative offices shall be the revenue of the budget of Montenegro.

The fee paid for documents and procedures before the authorities of local self-government units shall be the revenue of local self-government units.

The fee paid for documents and procedures of legal entities with public authorizations shall be the revenue of the budget of Montenegro, or the budget of a local self-government unit, depending on the basis of whose authorization a legal entity with public authorizations carries out its activities.

### IX ADJUSTMENT OF FEE AMOUNTS

#### Article 17

The Government of Montenegro, i.e. the competent body of local self-government may adjust annually (upon the expiry of a year) the amounts of fees established by the Fee Tariff by the growth rate of retail prices, if such growth exceeds 5%, according to data of the body competent for statistics.

### IXa APPLICATION OF REGULATIONS

#### Article 17a

The provisions of laws regulating tax procedure shall accordingly apply to enforced collection, interest and other matters not specifically regulated in this Law.

### X TRANSITIONAL AND FINAL PROVISIONS

#### Article 18

A fee applicable at the moment of a fee obligation occurrence shall be paid for documents and actions for which a fee obligation occurred before the effective date of this Law.
Article 18a

Tariff Item 114a shall be applied by 31 December 2011.

Article 19

The Law on Administrative Fees (Official Gazette of the Republic of Montenegro, 41/94, 13/96 and 45/98) and the Decree on Administrative Fees (Official Gazette of the Republic of Montenegro, 44/2000) shall be repealed as of the day this Law enters into force.

Article 20

This Law shall enter into force on the eighth day after its publication in the Official Gazette of the Republic of Montenegro.
ADMINISTRATIVE FEE TARIFF

For certificates issued by authorities, unless otherwise prescribed by this Law……….5,00

Tariff Item 27

For a counterpart or new public document issued by an institution in the area of education………………………………………………………………………………………10.00

Authentication, Transcripts and Translations

Tariff Item 28

1) For authentication of signature, transcript or handwriting authenticity (of each tablet of the original)……………………………………………………………………2.00
2) For authentication of translation, 30% of the fee referred to in item 1) of this Tariff Item shall be paid.

NOTE:
1) Under this Law, a tablet shall mean a sheet of paper consisting of two pages of the normal office size or smaller format.
2) If the manuscript or transcript that is to be authenticated is written in a foreign language, a double fee under this Tariff Item shall be paid.

Tariff Item 29
For authentication of a contract.................................................................5.00

Tariff Item 30
For authentication of a proxy.................................................................5.00

NOTE:
If an administration body provides translation and authentication of the translation, in addition to the fee under this Tariff Item, a fee under Tariff Item 35 shall be paid.

Tariff Item 31
Authentication of the report on classification and calculation of mineral raw materials....20.00

Tariff Item 32
For the authentication of a geodetic plan per detail page .........................50.00

Tariff Item 33
For the authentication of heliographic copy of a plan (drawing), the fee shall be paid by a whole and started square meter........................................25.00

Tariff Item 34
1) For official documents transcribed by authorities.............................3.00
2) For transcript of acts or other documents in a foreign language per a tablet of the original.................................................................3.00

Tariff Item 35
For the authentication of translation from one into another language:
1) if the original copy has less than 100 words.................................3.00
2) if the original copy has more than 100 words per each whole or started tablet........................................................................4.00
TARIFF ITEM 36

1) For the authentication of the copy plan of the size:
   1) A0……………………………………………………………………………..50.00
   2) A3……………………………………………………………………………..20.00
   3) A4……………………………………………………………………………..10.00

NOTE:
The authentication of the copy plan of a size exceeding one tablet shall be subject not only to the basic fee for one tablet, but also to the payment of 0.50 euro per each tablet by which the counterpart exceeds one tablet.

2) For the authentication of a transcript and extract from the cadastre registry records and terrain survey study, a fee shall be paid according to the number of tablets of the form used for the transcript, as follows:
   1) for the first tablet (cadastral form)……………………………………………4.00
   2) for each subsequent tablet………………………………………………………2.00

NOTE:
The started tablet of the copy plan or the started tablet (cadastral form) of the survey study shall be counted as the whole one.

3) For approving plans prepared by legal entities and physical persons authorized for carrying out geodetic works, the fee referred to in paragraph 1 of this Tariff Item shall be paid.

NOTE:
For the authentication of the plan under this Tariff Item, the fee under Tariff Item 33 shall be paid.

VII MISCELLANEOUS

TARIFF ITEM 37

For technical inspection of machines, electrical machines, gas and other installations, as well as radio-stations that according to the existing regulations, are subject to the obligatory inspection for obtaining the use approval, the payment shall be made per working hour…………………………………………………….……10.00

NOTE:
The fee under this Tariff Item shall be counted for each whole or started working hour of each worker participating in such technical inspection.

TARIFF ITEM 38

For approvals for changes in the cadastre registry records according to documents, without on-site investigation:
   1) in the real estate registry……………………………………………………8.00
   2) in the land registry…………………………………………………………6.00

NOTE:
The fee shall be paid by a request submitter when submitting the request to the body competent for geodetic activities.
Tariff Item 39

For adoption of the decision on changes in the cadastre registry records requiring on-site inspection:

1) in the real estate registry..............................................................10.00
2) in the land registry.................................................................8.00

NOTE:
The fee shall be paid by a request submitter when submitting the request to the body competent for geodetic activities.

Tariff Item 40

For the decision on approving exploration related to mineral raw materials and land for construction of buildings.................................................................150.00

Tariff Item 41

For the decision on approving exploitation of mineral raw materials on the exploiting field.................................................................150.00

Tariff Item 42

For the decision on approving the construction works within mining projects:

1) for projects on mining works..................................................250.00
2) for other mining objects, facilities and devices ...........................150.00

Tariff Item 43

For issuing the approval for necessary deviations from the approved projects regarding the construction works on mining objects.............................................150.00

Tariff Item 44

For issuing the certificate on the control of foundations of construction objects and network of communication lines.........................................................15.00

NOTE:
The fee is paid by a request submitter when submitting the request to a body competent for geodetic activities.

Tariff Item 45

For the consent on construction of temporary structures and performance of other works in a forest.................................................................30.00
Tariff Item 46

Tariff Item 49

For the first inspection of the producer and for all subsequent inspections of users of steam installations (steam and hot-water boilers, water heaters and steam over-heaters, steam vessels and pressurized vessels) and pressurized tankers, carried out at the request of a user……………………………………………………………………………………20.00

Tariff Item 50

1) For issuing the decision determining compliance with requirements for business premises regarding the technical equipment and other prescribed requirements, at the request of a party, as follows:
   1) up to 50 square meters.................................................................30.00
   2) from 50 to 200 square meters....................................................50.00
   3) over 200 square meters..............................................................75.00

2) For the decision on construction of telecommunication facilities, 0.3% of the estimated value and the maximum of…………………………………………………………100.00

Tariff Item 51

For the decision on issuing veterinary and sanitary approval for technical documentation, i.e. for built facilities subject to veterinary and sanitary control:
   1) facilities for production and keeping of animals – farms......................30.00
   2) facilities for slaughter of animals, processing and packing of meat, milk, eggs, fish and other products of animal origin and facilities for cooling, freezing and storing products of animal origin:
      - industrial.................................................................300.00
      - crafts.................................................................100.00
      - facilities (rooms) in a household..................................30.00
   3) for legal entities dealing with health protection of animals...................100.00
   4) for stock yards..................................................................200.00
   5) for fairs, exhibitions and driving of cattle to markets.........................20.00
   6) for veterinary centre for reproduction and artificial insemination of livestock .........................................................................................50.00
   7) for production and transactions with medicines from funds for disinfection, extermination of insects and rat poisoning.................................100.00
8) for determining the location of quarantine, type and manner of diagnostic examinations and professional organization to carry out the examinations.................................30.00

9) for veterinary-sanitary certificate of health condition of exporting packages.................................................................5.00

**Tariff Item 51a**

For issuance of the decision on compliance with requirements for production of food of plant origin after primary production, combined food and other food, as follows:

1) industrial production..........................................................350.00
2) crafts production.................................................................100.00

**Tariff Item 51b**

For issuance of the decision on compliance with requirements for trade of food of plant origin after primary production, combined food and other food, as follows:

1) for facilities up to 100m²..................................................50.00
2) for facilities from 100 to 300m².........................................100.00
3) for facilities from 300 to 500m².........................................150.00
4) for facilities from 500 to 1000m²......................................200.00
5) for facilities over 1000m²..................................................300.00

**Tariff Item 52**

1) For determining the zone of sanitary protection to a regional water supply source and city-water-supply source..............................................250.00
2) For determining hydraulic conditions..................................100.00
3) For issuing hydraulic approval...........................................150.00
4) For issuing hydraulic license.............................................250.00
5) For issuing authorizations for examining water quality..........250.00

**Tariff Item 53**

For issuing approval for carrying stuffed wild animal and its stuffed parts out of the country, 5% of the trophy value, and at the most........................................500.00

**Tariff Item 54**

1) For notification of categorization of legal entities by activities and determination of their registration numbers.........................................................5.00
2) For notification of the change in a business activity of legal entities........5.00
Official Gazette of the Republic of Montenegro, 55/03, 46/04, 81/05, 2/06
Official Gazette of Montenegro 22/08, 77/08, 03/09, 40/10, 20/11
[unofficial translation]

Tariff Item 55

1) For issuing the license for:
   1) amateur radio-station.................................................................10.00
   2) radio-station used by a citizen.................................................5.00

2) For entering a starting date of the radio station operations in the license........3.00

Tariff Item 56

1) For the decision determining veterinary-sanitary requirements for the import of packages of animals and products, raw materials and by-products of animal origin..................60.00

2) For the decision determining veterinary-sanitary requirements for transport of packages of animals and products, raw materials and by-products of animal origin..................60.00

3) For the decision determining veterinary-sanitary requirements for temporary import, export or transport of animals intended for sports competitions, fairs, exhibitions (horses, dogs, cats, birds, fish, etc)...............................................................60.00

Tariff Item 57

For issuing the approval for temporary import of breeding animals and seeds and other plant organs for reproduction.............................................................................15.00

Tariff Item 58

1) For the decision approving the import of nursery plant seeds and planting material and determining health conditions and type of seed, nursery plant and planting material to be imported.................................................................50.00

2) For the decision on determining conditions of a producer of seeds and planting material.........................................................................................................................................................................................50.00

Tariff Item 59

For the decision on determining conditions under which plants considered to be contaminated with harmful organisms or pesticides can be used for other purposes.................................................................................................................................60.00

Tariff Item 60

1) For issuing phyto-certificate for the export and re-export of plant packages........50.00

2) For the certificate of phyto-sanitary regularity of nursery plant and planting material being internally traded...................................................................................................................50.00
Tariff Item 61

For the decision determining compliance with requirements of a legal entity for health inspection of crops and facilities, as well as health inspection of untested seeds or seeds tested on specific viruses, as well as nursery plants and land on nematodes……..100.00

Tariff Item 62

1) For the decision on repacking, weighting out and additional declaration of imported original seed……………………………………………………………………………50.00

2) For the decision on providing authorization to a legal entity for examining and determining quality of the seed to be imported and issuing the certificate of a seed and planting material quality …………………………………………………………………………….50.00

3) For the decision prohibiting the import of seeds and planting material………………50.00

4) For the decision on compliance with requirements on seed additional processing …50.00

Tariff Item 63

1) For the decision on acknowledging newly made sort, i.e. on approving the introduction of a foreign sort in the production, or the protection of agricultural and forest herbs, as well as the decision on approving the examination of sorts used for production experiments………………………………………………………………………………60.00

2) For the decision on deletion of a sort from the registry, or records…………………30.00

Tariff Item 64

1) For the decision on authorizing a legal entity to examine sorts in an experimental field or laboratory…………………………………………………………………………….100.00

2) For the decision approving the import of reproduction materials of foreign sorts that are not approved for the production, i.e. of unacknowledged newly made sorts, i.e. sorts that are not domestic or adapted foreign sorts, if they are imported for improving herbs and approving the introduction of foreign sorts in the production……………….60.00

3) For the decision on protection of newly made sort……………………………………...50.00

Tariff Item 65

1) For the decision on including the producer in organic agriculture…………………..20.00

2) For the decision on compliance with requirements of a legal entity (authorized organization) on staff, equipment and devices for certification of organic production………………………………………………………………………….50.00

3) For issuing the certificate of producing the product by organic production methods……………………………………………………………………………….30.00
4) For issuing the export certificate for products obtained by methods of organic production…………………………………………………………………………………….20.00

5) For the request of a producer for obtaining the mark for products from organic agriculture…………………………………………………………………………………….10.00

Tariff Item 66

For the decision on compliance with requirements of railway station, maritime port, aircraft terminal, road border crossing, container terminal, mail and other customs places, where health examination of herb packages is carried out…………………………………………………………………………………………50.00

Tariff Item 67

1) For the decision on issuing a license for releasing pesticides and fertilizers into circulation …………………………………………………………………………………70.00

2) For the decision on renewal (review) of the license to release pesticides and fertilizers into circulation ……………………………………………………………………………………………70.00

Tariff Item 68

1) For the decision on approving the import of pesticides and active matters and pre-concentrates for the production of final pesticide products and fertilizers……………70.00

2) For the certificate that pesticides are not produced in Montenegro……………….20.00

Tariff Item 69

1) For the decision authorizing companies and other legal entities to carry out the examination of physical and chemical characteristics and biological efficiency of pesticides and fertilizers…………………………………………………………………………………………100.00

2) For the decision determining compliance with requirements of legal entities for releasing pesticides and fertilizers into retail and whole sale trade………………..100.00

Tariff Item 70

For the decision determining compliance with requirements of a legal entity for performance of activities dealing with prognosis and reporting, as well as providing services in the area of plant protection…………………………………………………………100.00

Tariff Item 71

For the decision determining that a legal entity and entrepreneur meet requirements for performance of activities dealing with disinfection, extermination of insects and rat poisoning in the area of plant protection…………………………………………………………100.00
Tariff Item 72

For the decision determining that that a legal entity, entrepreneur and physical person meet prescribed requirements for implementing measures of plant protection, i.e. for application of pesticides in agriculture and forestry……………………………..……….100.00

Tariff Item 73

For the decision determining compliance of a legal entity with requirements on production, or formulation of pesticides and fertilizers .................................................................100.00

Tariff Item 74

1) For the decision determining the compliance with requirements of a creator, user and authorised organisation dealing with a limited use, production, circulation of and control over genetically modified organisms and products from genetically modified organisms .....50.00

2) For the conclusion on rejecting the application of a creator, user or authorised representative for approval for limited use, introduction in the production or release for circulation of genetically modified organisms and products from genetically modified organisms ................................................................................................................30.00

Tariff Item 75

1) For the decision approving:
   - limited use of genetically modified organisms and products of genetically modified organisms..............................................................................................................50.00
   - introduction in the production of genetically modified organisms and products of genetically modified organisms.............................................................50.00
   - release for circulation of genetically modified organisms and products of genetically modified organisms..............................................................................................50.00

2) For the decision determining the duration of limited use, production and circulation of genetically modified organisms and products of genetically modified organisms.........................................................................................40.00

Tariff Item 76

For the decision determining that an authorized representative meets prescribed requirements for representing a foreign producer of pesticides or fertilizers………100.00

Tariff Item 77

1) For the license to import, export or transit endangered and protected types of wild flora and fauna, developing forms and parts thereof .........................................................100.00

2) For the license to import, export or transit genetic resources of wild flora and fauna, biotechnology and genetically modified organisms.........................................................100.00

Tariff Item 80

Deleted. (Official Gazette of Montenegro, No 77/08)

Tariff Item 81

Deleted. (Official Gazette of Montenegro, No 77/08)

Tariff Item 82

1) For the decision determining legal entities and entrepreneurs for the production and circulation of poisons, or legal entities for performing control over poisons..................170.00

2) For the decision on determining a legal entity that meets requirements prescribed for the Centre for Eco-Toxicological Researches.........................................................125.00

Tariff Item 83

1) For the request for classification of poison into groups .........................40.00

2) For the request for approving release for circulation of poisons for the purpose of maintaining public hygiene .................................................................40.00

Tariff Item 84

1) For the request approving import, export, or transit of poisonous matters through the territory of Montenegro .................................................................100.00

2) For the decision authorizing legal entities that make toxic evaluation of poisons.............................................................................................................100.00

3) For the decision authorizing legal entities that determine the efficiency of poisons.............................................................................................................100.00

4) For the certificate of applying best production and control-over-poison-practices.................................................................100.00

Tariff Item 85

2) For the license to import matters damaging the ozone layer..................50.00
2) For the decision approving the transport of radioactive matters across the borderlines of Montenegro .................................................................200.00

3) Deleted (Official Gazette of Montenegro, No 40/10).

Tariff Item 86

1) For issuing approval for growing poppy for the purpose of producing narcotic drugs.................................................................100.00

2) For issuing approval for production or release for circulation of narcotic drugs.................................................................150.00

3) For the license for import or export of narcotic drugs.................................50.00

4) For the decision determining legal entities that can engage in production or circulation of narcotic drugs.................................................................150.00

Tariff Item 87

1) For the decision determining legal entities that carry out systematic researches of the contents of radionuclides in the environment, or that carry out prescribed measurements in order to announce an extraordinary event.................................100.00

2) For the decision determining legal entities and entrepreneurs that can produce, engage in circulation or use sources of ionizing radiation.................................100.00

3) For the decision determining legal entities that meet statutory requirements for carrying out measurements for the purpose of evaluating the degree of exposure to ionizing radiation of persons who work with radiation sources of patients and population.................................................................150.00

4) For the decision determining legal entities that meet requirements for carrying out decontamination.................................................................150.00

5) For issuing ecological consent.................................................................20.00

Tariff Item 88

1) For the decision determining healthcare institutions that can carry out laboratory tests on causes of contagious diseases, or that can carry out laboratory tests of causes and carriers of contagious diseases and verification of laboratory tests in order to identify a diagnosis.................................................................115.00

2) For the decision determining legal entities and entrepreneurs that can carry out disinfection, insects extermination and extermination of rats.................................................................150.00

Tariff Item 89

1) For the certificate of carrying out internal transport in road transportation.................................................................10.00
2) For the decision on registration in the timetable registry for intercity and international road transport…………………………………………………………………………………………30.00

**Tariff Item 90**

1) For a bilateral license to a domestic transporter for international public transportation of passengers on established routes for the part of the route through the territory of Montenegro …………………………………………………………………………………..100.00

2) For each subsequent counterpart of the license ………………………………50.00

**Tariff Item 91**

1) For bilateral and transit license to a foreign carrier for international public transportation of passengers on established routes across the territory of Montenegro…………………………………………………100.00

2) For each subsequent counterpart of the license ………………………………50.00

**NOTE:**

1) If otherwise determined under an international treaty, a fee shall be paid for writs and actions referred to in this tariff item in line with such treaty.

2) A foreign natural person or legal entity shall be exempt from fee payment under this tariff item in the case of reciprocity.

**Tariff Item 92**

For approving timetable, pricelist and itinerary in the international transportation of passengers, and so as follows:

1) for the first counterpart………………………………………………………………………15.00

2) for each subsequent counterpart………………………………………………………….5.00

**Tariff Item 93**

*Deleted (Official Gazette of Montenegro, No 22/08)*

**Tariff Item 94**

*Deleted (Official Gazette of Montenegro, No 22/08)*

**Tariff Item 95**

For the license for occasional transportation services, as well as the license for alternating transportation of passengers in the international public transportation of passengers on non-established routes, and so as follows:

- bilateral transportation………………………………………………………………………50.00
- transit transportation…………………………………………………………………………50.00

**NOTE:**
1) If otherwise determined under an international treaty, a fee shall be paid for writs and actions referred to in this tariff item in line with such treaty.
2) A foreign natural person or legal entity shall be exempt from fee payment under this tariff item in the case of reciprocity.

**Tariff Item 96**

For the license to carry out international transportation for one's own needs........12.00

**Tariff Item 97**

1) For a special license to a foreign carrier for bilateral transportation of goods in the international road transportation.................................................................100.00
2) For a special license to a foreign carrier for transit transportation of goods in the international road transportation.................................................................30.00

**NOTE:**

1) The fee shall be paid for writs and actions referred to in this tariff item, unless otherwise determined by an international treaty.
2) A foreign natural person or legal entity shall be exempt from fee payment under this tariff item in the case of reciprocity.

**Tariff Item 98**

For the decision on issuing a foreign license for international public transportation of goods to a domestic carrier, and so as follows:
- for individual licenses..........................................................................................12.00
- for time-limited licenses......................................................................................120.00
- for short term CEMT licenses..............................................................................50.00
- for annual CEMT licenses..................................................................................400.00

**Tariff Item 99**

For the license to a foreign carrier for international non-standardized transportation of goods on the territory of Montenegro, and so as follows:
1) in bilateral transportation for the transportation with tractive vehicles........10.00
2) for each subsequent tractive vehicle under the same license......................5.00
3) in transit transportation for the transportation with tractive vehicle............15.00
4) for each subsequent tractive vehicle..............................................................10.00

**Tariff Item 100**

For issuing the license to a foreign carrier for cabotage........................................250.00

**Tariff Item 100a**

For issuing the license and certificates in the railroad transport, and so as follows:
1) for licenses for carriage in the railroad transport ........................................2,5000.00
2) for licenses for railroad infrastructure management .....................................2,5000.00
3) for certificate concerning safety for carriage in the railroad transport:
   - for each tractive vehicle .................................................25.00
   - for each railroad car ..................................................10.00
4) for certificate concerning safety for railroad infrastructure management:
   - for each km of railroad and station tracks ......................................10.00
   - for each tractive vehicle and vehicle for special purposes ..................25.00

Tariff Item 101

1) For registration of a legal entity or a natural person in the register of civil airplanes,
and so as follows:
   (1) for transport category airplane as owner, or user .......................100.00
   (2) for general category airplane ...........................................50.00
   (3) for special category airplane .............................................25.00

2) For registration of a legal entity or a natural person in the register of aircrafts as
owner, or user ........................................................................15.00

3) For issuance or extension of certificate of airplane navigability, and so as follows:
   - for transport category airplane ...........................................50.00
   - for general category airplane .............................................34.00

4) For issuance or continuance of confirmation of airplane navigability ..............25.00

5) For permit for use of special category airplanes ........................................17.00

6) For the decision issued to a legal entity or a natural person, and so as follows:
   - for deregistration from the register of civil airplanes at the request of the
     airplane’s owner or user ..................................................30.00
   - for deregistration from the records of aircrafts ..............................7.50
   - for registration of ownership of airport in the Register of airports at the owner or
     user request .......................................................................60.00
   - for registration of aerodromes in the Register of aerodromes at the owner or user
     request ...........................................................................30.00
   - for registration of terrains in the Records of terrains at the owner or user
     request ...........................................................................30.00
   - for a change in data in the Register of airports ..................................30.00
   - for a change in data in the Register of aerodromes ...........................15.00
   - for a change in data in the Records of terrains ..................................7.50
   - for deregistration of airports from the Register of airports at the owner or user
     of airport request ..................................................................30.00
   - for deregistration of aerodrome from the Register of aerodromes at the request of
     aerodrome owner or user ....................................................15.00
   - for deregistration of terrain from the Records of terrains ....................7.50
   - for change in data in the Registry of civil airplanes, Records of aircrafts and
     Registry of authorized staff of the airplane ..................................25.00
   - for registration of lien rights ..................................................25.00

7) For extract or transcript of documents, and so as follows:
   - from the Registry of civil airplanes .........................................25.00
- Records of aerodromes..............................................15.00
- Register of airports..............................................30.00
- Register of aerodromes...........................................30.00
- Registry of authorized staff of the airplane...............8.50

8) For certificate of:
- Noise level.................................................................25.00
- Fuel gas emission from combustion..........................25.00

9) For issuing a license for the use of rescue parachute............5.00

10) For approving a programme of airplane technical maintenance, and so as follows:
- for transport category..............................................50.00
- for general category...............................................10.00
- for special category...............................................10.00
- for engine, propeller, equipment and parachute............5.00

11) For approval of a contract on airplane lease or rent.............25.00

Tariff Item 102

1) For a certificate on the transport category type, and so as follows:
- for airplane..............................................................60.00
- for engine.................................................................30.00
- for propeller..............................................................25.00
- for airplane product where the type is established outside of an airplane......25.00

2) For a certificate of the general category type, and so as follows:
- for airplane..............................................................30.00
- for engine.................................................................25.00
- for propeller..............................................................15.00
- for airplane product where the type is established outside of an airplane......15.00

3) For a certificate of the special category type, and so as follows:
- for airplane..............................................................15.00
- for engine.................................................................10.00
- for propeller..............................................................7.00
- for airplane product where the type is established outside of an airplane......7.00

4) For certificate of acknowledging documents on the transport category type, and so as follows:
- for airplane..............................................................30.00
- for engine.................................................................20.00
- for propeller..............................................................5.00
- for airplane product where the type is established outside of an airplane......15.00

5) For certificate of acknowledging documents on the general category type, and so as follows:
- for airplane..............................................................25.00
- for engine.................................................................10.00
- for propeller..............................................................10.00
6) For certificate of acknowledging documents on the special category type, and so as follows:
   - for airplane.................................................................10.00
   - for engine.................................................................5.00
   - for propeller.............................................................5.00
   - for airplane product where the type is established outside of an airplane........5.00

7) For a certificate of compliance with requirements on production, testing for the purpose of determining type and maintenance, as follows:
   - transportation category airplanes..................................40.00
   - engine and propeller...................................................25.00
   - twin-engine airplane of general category.........................25.00
   - single-engine airplane of general category......................20.00
   - special category airplane ..............................................7.00
   - parachute......................................................................7.00

8) For a certificate on acknowledging a foreign document confirming the capacity to produce and carry out test for the purpose of establishing a type and maintenance, and so as follows:
   - transportation category airplane.................................15.00
   - engine and propeller...................................................10.00
   - twin-engine airplane of general category.........................10.00
   - single-engine airplane of general category......................7.00
   - special category airplane ..............................................5.00
