• An informal WTO African Group was established in 1995.
• The mandate of the African Group is established by African Ministers responsible for WTO matters.
• The WTO African Group meets at two levels: ambassadors and experts
• The Group is coordinated on a rotational basis by one of its members.

AFRICA’S INTERESTS IN WTO POST NAIROBI AGENDA

• The Nairobi Ministerial Declaration does not contain a work program on the outstanding Doha Development Agenda (DDA) issues.

• In a sense this reflects a lack of consensus among the members on some issues.

• Notwithstanding divergent views, under paragraph 31 of the Nairobi Ministerial Declaration, all Members agreed to continue negotiations on the remaining Doha issues with some calling for inclusion of new issues in the post Nairobi Agenda.
AFRICA’S INTERESTS IN WTO POST NAIROBI AGENDA (CON’T)

• Some of the priority DDA outstanding issues for the African Group include:
  - Domestic support in agriculture including cotton;
  - Public stockholding for food security;
  - Special Safeguard Mechanism in agriculture
  - Fisheries subsidies
  - Special and differential treatment
• Some Members have also submitted proposals for Ministerial decisions at MC11 on other issues:
