

## DECISION

January 28, 2011

№ 526

Moscow

### **On Unified List of Products for which Mandatory Requirements are Established in the Customs Union**

For the purposes of implementation the Article 3 of the Agreement on Unified Principles and Rules of Technical Regulation in the Republic of Belarus, Republic of Kazakhstan and Russian Federation of 18 November 2010 the Customs Union Commission **have decided:**

1. To approve the Unified List of Products for which Mandatory Requirements are Established in the Customs Union (**attached**).
2. Due to the presence in the Customs Union member-states of various procedures for state registration of medical devices (medical equipment and medical supplies) to order Parties:
  - to explore the possibility of unification of Parties' approaches in this field;
  - if appropriate, to develop a draft of corresponding international treaty;
  - upon the results of the work, to make a decision on feasibility of development of the Customs Union technical regulation "On Safety of Medical Devices".

Prior to making a decision on this matter, to suspend implementation of the corresponding Customs Union technical regulation.
