The CDC/CIB shall issue a 30 days notice. In the event of a non response, a reminder notice shall be sent providing notice for another 15 days. Thereafter, a 15 days final warning letter shall be sent by the CDC. Upon the expiry the above periods, the CDC shall proceed to revoke the investment privileges and incentives and subsequently remove automatically the Investment Enterprise from the CIB's investment list.

2. In the event the Investment Enterprise wishes to reinstate its activities, it shall do the followings:
  - provide further information as required by CIB.
  - pay an Application fee of USD500.00 (Five Hundred US dollars) or USD 1,000.00 (One Thousand US dollars) as required under Anukret 88/ANK/BK of December 29, 1997.
