

**DECISION
OF THE GOVERNMENT OF THE RUSSIAN FEDERATION
NO. 113 OF FEBRUARY 2, 1998
ON CERTAIN MEASURES DIRECTED TO THE IMPROVEMENT OF THE SYSTEM
OF THE SYSTEM OF ENSURING THE QUALITY OF PRODUCTS AND SERVICES**

The Government of the Russian Federation resolves:

1. To consider that a major task of the federal bodies of the executive power is the support of the entities of economic activity introducing the systems of quality on the basis of the state standards of the series GOST R ISO 9000 for the purpose of raising the competitiveness of the manufactured products and furnished services.

To recommend the bodies of the executive power of the entities of the Russian Federation to render support to the said entities of economic activity.

2. The State Committee of the Russian Federation for Standardization, Metrology and Certification shall ensure the rendering to the entities of economic activity of methodological assistance in the work on the introduction and improvement of the system of quality and the coordination of this work.

3. The State Committee of the Russian Federation for Standardization, Metrology and Certification with the participation of the Ministry of Economics of the Russian Federation and with the attraction of the Chamber of Commerce and Industry of the Russian Federation (as agreed) shall within three months prepare and submit to the Government of the Russian Federation proposals for the formation in the Russian Federation in accordance with the effective legislation of a system of accreditation in the spheres of activity on the established requirements of quality and safety of products, process and services.

4. To amend the [Procedure](#) for the Preparation and Conclusion of the State Contracts on the Purchase and Delivery of Products for the Federal State Needs, approved by the [Decision](#) of the Government of the Russian Federation No. 594 of June 26, 1995 on the Realization of the Federal Law on the Deliveries of Products for the Federal State Needs (Sobraniye zakonodatelstva Rossiyskoy Federatsii, 1995, No. 28, item 2669), as follows:

a) the [last paragraph of Item 14](#) after the words: "Works, etc." shall be supplemented with the words: "Such expenditures must, as a rule, be carried out for the purpose of ensuring the quality of the products.";

b) [Item 16](#) shall be supplemented with a paragraph reading as follows:
"information on the presence of the certificate of the system of quality and/or the licence for the marking of products with the stamp of conformity to the state standards".

Chairman of the Government
of the Russian Federation

Viktor Chernomyrdin
