

**Resolution # 12/1 of the Federal Energy Commission of the Russian Federation dated  
March 24, 1999  
On Granting 50 Percent Natural Gas Price Discount to Enterprises Producing Mineral  
Fertilizers, Pest Control Agents and Raw Materials for Fertilizer and Pest Control Agent  
Production in 1999**  
(incorporates changes of June 4, 1999)

In accordance with Letter # 2375-87 of the Ministry of Justice of the Russian Federation dated March 31, 1999 this Resolution does not require state registration by the Ministry of Justice of the Russian Federation

For the purposes of implementation of Resolution # 256 of the Government of the Russian Federation dated March 4, 1999 "On Measures to Accelerate Delivery of Chemical Agents to Agricultural Producers in 1999" (*Rossiyskaya Gazeta* dated March 16, 1999, # 49), the Federal Energy Commission of the Russian Federation has resolved:

1. In accordance with Resolution # 256 of the Government of the Russian Federation dated March 4, 1999, prices for the natural gas delivered to enterprises – producers of pest control chemical agents and raw material for fertilizer and pest control chemical agent production shall be set at the level of 50 percent of the state-regulated wholesale prices for volumes specified in Appendix 1.
2. The Open Joint-Stock Company Gazprom shall be compensated for the revenue shortfall resulting from natural gas sales at the price set in accordance with paragraph 1 of this Resolution in the amount of Rb 534.2 out of the additional revenues resulting from the March 1, 1999 increase of wholesale prices for natural gas intended for subsequent sale to household consumers. The revenue shortfall amount shall be finalized on the basis of actual natural gas supply results.
3. Natural gas deliveries at the 50 percent discount price shall be effected based on estimated output volumes subject to subsequent adjustment in accordance with the actual volume of fertilizers and chemical agents shipped to agricultural producers.

Every month OOO Mezhhregiongaz shall adjust natural gas deliveries with producers of fertilizers, agricultural chemical agents and raw materials for fertilizer and agricultural chemical agent production based on the invoices agreed on with the Ministry of Agriculture and Food of the Russian Federation, subject to the condition that the volumes of gas invoiced may not exceed the volumes specified in Attachment 1 to this Resolution.

4. The reduction of the price for the natural gas used to produce mineral fertilizers, agricultural chemical agents, and raw materials for mineral fertilizer and pest control chemical agent production intended for the domestic market may not apply to production intended for export.
5. Gas sold at the 50 percent discount shall be delivered subject to the condition of an advance cash payment by the eligible purchaser.

Chairman of the Federal  
Energy Commission of the  
Russian Federation
