

DECREE
OF THE PRESIDENT OF THE RUSSIAN FEDERATION
NO. 221 OF FEBRUARY 28, 1995
ON MEASURES TO IMPROVE THE STATE ADJUSTMENT OF PRICES (TARIFFS)
(with the Additions and Amendments of July 8, 1995)

In order to deepen further the economic reforms, raise the efficiency of the market economy and improve the state adjustment of prices (tariffs), I resolve:

1. To recognize as essential the further liberalization of prices (tariffs). The state adjustment of prices (tariffs) shall be effected only with regard to the products of natural monopolies.

The Government of the Russian Federation shall be obliged to determine and approve, with due account of norms established by the legislative acts of the Russian Federation, the lists of engineering products, consumer goods and services whose prices (tariffs) on the home market of the Russian Federation are subject to state control by the Government of the Russian Federation, the federal executive bodies and the executive bodies of the subjects of the Russian Federation.

The said lists have been approved by the Decision of the Government of the Russian Federation No. 239 of March 7, 1995

Said lists shall be reviewed to the extent of necessity, bearing in mind the further liberalization of prices (tariffs).

The state adjusted prices (tariffs) shall be applied on the home market of the Russian Federation by all the enterprises and organizations, regardless of the organizational structure and legal status, and forms of property, unless otherwise stipulated by the legislative acts of the Russian Federation.

2. The Government of the Russian Federation shall be obliged to take the following measures:

- to establish procedure for state control of prices (tariffs) of engineering products, consumer goods and services;

See the Basic Provisions of the State Regulation of Tariffs on Electric and Postal Communications Services of General Use, endorsed by Decision of the Government of the Russian Federation No. 715 of October 11, 2001

Decree of the President of the Russian Federation No. 685 of July 8, 1995 supplemented Item 2 of this Decree with the third paragraph

- to establish the procedure for the state regulation and application of tariffs for electric and heat power upon the proposal of the Federal Energetic Commission of the Russian Federation;

- to coordinate the work of the executive bodies of the subjects of the Russian Federation in the sphere of the state control of prices (tariffs) as provided for by this Decree;

On regulation of prices (rates) for products (services) of branches of natural monopolies in the second half of the year 1996 see:

Decision of the Government of the Russian Federation No. 869 of July 17, 1996

Decision of the Government of the Russian Federation No. 140 of February 12, 1996

3. To lay down that subsidies, associated with the state adjustment of prices (tariffs) according to the list of products, goods and services, whose prices are controlled by the Government of the Russian Federation and the federal executive bodies, shall be taken into account in the process of forming the federal budget for the relevant year.

The executive bodies of the subjects of the Russian Federation shall be recommended to allocate from appropriate budgets in cases of necessity subsidies with the aim of the state adjustment of prices (tariffs) of products, goods and services according to nomenclature, included

in their terms of reference.

Concerning the measures for adjusting the state regulation of the prices for gas and the raw material for its production see [Decision](#) of the Government of the Russian Federation No. 332 of April 15, 1995

4. To lay down that enterprises and organizations which have broken the rules of legislation on the state adjustment of prices (tariffs) shall be subjected to sanctions in the form of recovery of the entire excessively received proceeds and to the fine in the same amount or to the double fine in case of a repeated violation.

Persons guilty of violating the rules of legislation on the state control of prices (tariffs) shall be made accountable in the statutory manner.

5. The Government of the Russian Federation shall be obliged to formulate its proposals on the application of sanctions for the violation of the rules of legislation on the state control of prices (tariffs).

6. To recognize the following normative acts as invalid:

- the [Decree](#) of the President of the RSFSR No. 297 of December 3, 1991 on Measures of Liberalize Prices, except for the first paragraph of [item 1](#) (Gazette of the Congress of the People's Deputies of the RSFSR and the Supreme Soviet of the RSFSR, No. 52, 1991, item 1878);
