

**DECISION OF THE GOVERNMENT OF THE RUSSIAN FEDERATION
NO. 459 OF JULY 26, 2006 ON THE FEDERAL CUSTOMS SERVICE
(with the Amendments and Additions of April 21, 2008)**

On the ground of Article 12 of the Federal Constitutional Law on the Government of the Russian Federation, and in execution of Decree of the President of the Russian Federation No. 473 of May 11, 2006, the Issues of the Federal Customs Service (Sobraniye Zakonodatelstva Rossiiskoy Federatsii, No. 20, 2006, Item 2162), the Government of the Russian Federation resolves:

1. To approve the hereto enclosed Regulations on the Federal Customs Service.

2. To approve the hereto enclosed Amendments which shall be introduced into the normative legal acts of the Government of the Russian Federation.

3. To recognize as having lost force Decision of the Government of the Russian Federation No. 585 of September 28, 2005 on the Procedure for Exerting Control over the Execution by the Customs Bodies of the Normative Legal Acts on the Issues of the Computation and Collection of Customs Payments and for Determining the Customs Cost of Commodities (Sobraniye Zakonodatelstva Rossiiskoy Federatsii, No. 40. 2005, Item 4038).

Chairman of the Government
of the Russian Federation

M. Fradkov

**Regulations on the Federal Customs Service (approved by Decision
of the Government of the Russian Federation No. 459 of July 26, 2006)
(with the Amendments and Additions of April 21, 2008)**

I. General Provisions

1. The Federal Customs Service is an authorized federal executive power body, discharging in conformity with the legislation of the Russian Federation the functions involved in the elaboration of the state policy and in the normative legal regulation, control and supervision in the area of the customs business, as well as the functions of an agent for the currency control and the special functions aimed at fighting the contraband and other crimes, and administrative law offences.

2. The activity of the Federal Customs Service is guided by the Government of the Russian Federation.

3. The Federal Customs Service relies in its activity on the Constitution of the Russian Federation, on the federal constitutional laws

and the federal laws, on the Decrees and Orders of the President of the Russian Federation, on the Decisions and Orders of the Government of the Russian Federation, on the international agreements of the Russian Federation, on the normative legal acts of the Central Bank of the Russian Federation and on the present Regulations.

4. The Federal Customs Service performs its activity both directly and through the customs bodies and the Service's representations abroad in interaction with the other federal executive power bodies, with the executive power bodies of the subjects of the Russian Federation and the local self-government bodies, with the Central Bank of the Russian Federation, as well as with public associations and other organizations.

II. Powers

5. The Federal Customs Service exercises the following powers in the established area of activity:

5.1. it submits to the Government of the Russian Federation the drafts of federal laws and of the normative legal acts of the President of the Russian Federation and of the Government of the Russian Federation, and the other documents, on which the decision of the Government of the Russian Federation is required, on the issues referred to the area of the Service's jurisdiction established in Item 1 of the present Regulations, as well as the draft annual plan of work and the forecast indices for the Service's activity;

5.2. on the basis and in execution of the Constitution of the Russian Federation, of the federal constitutional laws, the federal laws and the acts of the President of the Russian Federation and of the Government of the Russian Federation, it adopts the following normative legal acts in the established area of activity:

5.20. implements the programmes for the development of the customs business in the Russian Federation;

5.21. ensures the metrological provision for the customs bodies' activity;

5.22. organizes the protection of the objects of the customs infrastructure;

5.23. exercises other powers in the established area of activity, if such powers are envisaged in the federal laws and in the normative legal acts of the President of the Russian Federation or of the Government of the Russian Federation.

6. The Federal Customs Service has the right for the purpose of exercising its powers in the established area of activity:

6.1. to create, reorganize and liquidate the regional customs boards, custom houses and customs posts, including the specialized customs bodies, whose competence comes down to the individual legal powers for the discharge of certain functions imposed upon the customs bodies, or for the performance of the customs operations with respect to definite kinds of commodities;

6.2. to delineate the customs bodies' region of activity;

6.3. to approve the general or individual provisions on the regional customs boards, custom houses and customs posts;

6.4. to organize the carrying out of the necessary studies, tests, expert examinations, analyses and estimates, as well as the scientific research in the established area of activity;

6.5. to inquire for information, necessary for the adoption of decisions on the issues referred to the established area of activity;

6.6. to give explanations on the issues referred to the established area of activity to legal and natural persons;

6.7. to exert control, the financial control included, over the activity of the customs bodies and the Service's representations abroad;

6.8. to invite in the established order the scientific research and other organizations, as well as the scientists and specialists, for the elaboration of the issues referred to the established area of activity;

6.9. to apply measures of the restrictive, preventive and prophylactic character, stipulated in the legislation of the Russian Federation and aimed at the preclusion and (or) suppression of violations by legal entities and by citizens of the obligatory demands in the established area of activity, as well as measures for the liquidation of the consequences of the above-mentioned violations;

6.10. to create advisory and expert bodies (councils, commissions, groups and colleges) in the established area of activity;

6.11. to elaborate and approve the samples of official identification cards and the regulations on wearing the uniform;

6.12. to publish the individual legal acts on the issues concerning the established area of activity.

7. The Federal Customs Service has no right to discharge in the established area of activity the functions involved in the management of the state property and in rendering paid services, except in the cases stipulated in the Decrees of the President of the Russian Federation and in the Decisions of the Government of the Russian Federation.

The restrictions, established in the first paragraph of the present Item, shall not be spread to the powers of the head of the Service for the Property Management, passed to the Service by the right of operative management.

III. Organizing the Activity

8. The Federal Customs Service is guided by the head, appointed to the post and relieved from the post by the Government of the Russian Federation.

The head of the Federal Customs Service is held personally responsible for the exercise of powers imposed upon the Service in the established area of activity.

The head of the Federal Customs Service has deputies, whose number shall be established by the Government of the Russian Federation.

The deputies head of the Federal Customs Service are appointed to the post and relieved of the post by the Government of the Russian Federation upon the presentation of the head of the Federal Customs Service.

The deputy head of the Federal Customs Service, leading the operative-search work of the customs bodies, shall report on the issues of financial and economic activity to the head of the Federal Customs Service, and on the issues of the operative-search work enjoys the right to take independent decisions.

9. The head of the Federal Customs Service shall:

9.1. distribute the duties among his deputies;

9.2. submit to the Government of the Russian Federation:

9.2.1. the draft Regulations on the Service;

9.2.2. proposals on the ultimate numbers and on the fund for the remuneration of labour of the official persons and the workers of the central apparatus of the Service and of the customs bodies;

9.2.3. proposals on the appointment to the post and on the relief from the post of the deputies head of the Federal Customs Service;

9.2.4. the draft annual plan and the forecast indices of the Service's activity, as well as a report on their execution;

9.3. submit to the Ministry of Finance of the Russian Federation proposals on the formation of the draft federal budget as concerns financing the Service's activity;

9.4. appoint to the post and relieve of the post the official persons of the Service's central apparatus, the heads of the regional customs boards and of the custom houses, as well as the other official persons and workers of the customs bodies of the Russian Federation, including the official persons and workers of the Service's representations abroad;

9.5. resolve in conformity with the legislation of the Russian Federation on the state service the issues involved in going through the federal state service in the Federal Customs Service;

9.6. approve the structure and the manning table of the Service's central apparatus within the numbers of official persons and workers, established by the Government of the Russian Federation, and the estimate incomes and outlays on the maintenance of the Service within the limits of the allocations envisaged for the corresponding period in the federal budget;

9.7. approve the numbers and the fund of remuneration of the labour of the official persons and workers of the regional customs boards, custom houses and organizations under the Service's jurisdiction, and of the representations of the Service abroad within the limits of the indices established by the Government of the Russian Federation;

9.8. approve the regulations on the structural subdivisions of the Service's central apparatus;

9.9. define the order of spending the funds assigned for an implementation of measures involved in the customs bodies' performance of the operative-search activity;

9.10. organize in the established order in the customs bodies the turnover of small fire-arms and other weapons, of the ammunition and cartridges to them, as well as of cold weapons;

9.11. approve the regulations on the Service's breastplates and medals, and those on the Diploma of the Federal Customs Service;

9.12. award in accordance with the procedure stipulated in the legislation of the Russian Federation weapons with the person's engraved name and apply the other incentives stipulated in the normative legal acts;

9.13. delineate the legal powers of the customs bodies and of their official persons in resolving organizational, personnel, financial and other matters;

9.14. issue the orders on the matters referred to the Service's competence;

9.15. submit to the Government of the Russian Federation in the established order proposals on the creation, reorganization and liquidation of the federal state enterprises and institutions put under the Service's jurisdiction.

10. The outlays on the maintenance of the Federal Customs Service are financed at the expense of the funds envisaged in the federal budget, as well as of the funds from the other sources established in the legislation of the Russian Federation.

11. The Federal Customs Service is a legal entity, it has a seal with the depiction of the State Emblem of the Russian Federation and with its own name, and the other seals, stamps and blanks of an established form, as well as the accounts opened in conformity with the legislation of the Russian Federation.

12. The Federal Customs Service has a heraldic sign - the emblem, the flag and the pennant, approved in the established order.

13. The seat of the Federal Customs is the City of Moscow.

Amendments to Be Introduced into the Normative Legal Acts of the Government of the Russian Federation (approved by Decision of the Government of the Russian Federation No. 459 of July 26, 2006)

1. In the Rules for the Turnover of Civilian and Official Weapons and Cartridges to Them on the Territory of the Russian Federation, approved in Decision of the Government of the Russian Federation No. 814 of July 21, 1998 on Measures for Regulating the Turnover of Civilian and Official Weapons and Cartridges to Them on the Territory of the Russian Federation (Sobraniye Zakonodatelstva Rossiiskoy Federatsii, No. 32, 1998, Item 3878; No. 3, 2006, Item 297):
