- 1) Name of technical regulation of EurAsEC can be changed during its development;
- 2) The deadline for submission of draft regulation for consideration by the working group can be changed by the decision of the Integration Committee of EurAsEC;
- 3) CTR Commission on technical regulation, sanitary, veterinary and phytosanitary measures to trade under the Integration Committee of EurAsEC;

Note: The development by the technical regulations of EurAsEC will be funded from national budgets of EurAsEC member states and within the amounts provided for the implementation of relevant national programs.
