

**GOVERNMENT RESOLUTION NO 33 /2015**

**of 5 October 2015**

**APPROVES THE TRANSFER OF LAND FOR THE  
CONSTRUCTION OF A HOTEL COMPLEX**

Considering the importance of the private sector in stimulating, starting up and developing the country's economy, the VI Constitutional Government, following the establishment of its Programme, has been approving legislative measures aimed at this purpose;

Considering that private investment makes it possible to meet needs in areas that are not priority areas, but nevertheless promotes business and wealth creation by alleviating the State budget;

Considering the Private Investment Law, which recognizes the need to attract foreign investors to the country who can assist in its development, contributing significantly to economic progress, in particular through the realization of infrastructure, enterprises, access, job creation and the provision of new services.

Thus,

The Government resolves, under the terms of paragraph c) of Article 116 of the Constitution of the Republic and Government Resolution No. 17/2009 of 9 September, the following:

1. To grant Pelican Paradise Holdings Timor-Leste the surface rights over a plot of land, located in Tasi Tolu, as shown in the attached map.
