

THE WTO PARTNERS WITH OTHER INTERNATIONAL ORGANISATIONS TO ENSURE THAT TRADE SUPPORTS THE IMPLEMENTATION OF THE 2030 AGENDA FOR SUSTAINABLE DEVELOPMENT.

Partnering with the International Trade Centre and the United Nations Conference on Trade and Development, the WTO launched the **“SDG Trade Monitor”**, an online platform that tracks how trade is contributing to the sustainable development goals.

Hosted at the WTO, the **Enhanced Integrated Framework** is a multilateral partnership comprising 51 countries, 24 donors and eight partner agencies that works to support trade-driven growth and development in least developed countries.

The **Standards and Trade Development Facility** is a global partnership hosted at the WTO that promotes improved food safety, animal and plant health in developing countries, contributing to sustainable economic growth, poverty reduction and food security.
