Registration Process

Step 1 - Request registration for your organization

NGOs that wish to attend the Conference will have to complete the online registration form which includes among others, providing evidence (reports, publications etc.) that demonstrate that their work is related to WTO issues. Providing this evidence is waived for those NGOs which have attended at least one WTO Ministerial Conference. Nevertheless, NGOs which have attended at least one Ministerial Conference will still have to officially complete the online registration in order to be accredited.

The online NGO registration form can be found at <https://eregistration.wto.org/mc12/ngo/register/en>. Please note that the deadline for NGOs to complete the online registration is **29 March 2020** (midnight, GMT).

Step 2 - Registering individual(s) from your organization

The online form to register individual NGO representative(s) will only be accessible for organizations whose registration requests have been approved. This form will provide for a maximum of four individuals to be registered per organization. Individuals should be registered no later than 17 May 2020 (midnight, GMT). If all criteria have been fulfilled, final confirmation of registration will be sent soon thereafter.

In line with past practice, the list of accredited NGOs will be circulated to all WTO Members.
