The anti-dumping actions notified by the European Union operate EU-wide, i.e., in respect of all EU member States, which do not notify individually. Because anti-dumping actions notified by the European Union operate EU-wide, only the numbers for European Union wide are reported. The Exception to the multiple counting rule applies only to anti-dumping actions notified by Argentina.

Because EU-wide anti-dumping actions notified by the European Union cease to operate when they are notified individually by the Member State of the notifying party, the member State is included in the list of those notified individually.

Not all Members submitting semi-annual reports of anti-dumping actions are listed individually. Where listed Members take action on a customs-union-wide basis, the figures on numbers of actions are shown for the WTO Member in which the investigating authority is physically located. To avoid multiple-counting, the numbers for the other reporting customs union members are reported with asterisks. See footnotes for details.

**Argentina**

To avoid multiple-counting, the row for this Member reports numbers with asterisks. Argentina became a member State of the Eurasian Economic Union on 2 January 2015. As of this date, anti-dumping actions are the same as those identified in respect of the Russian Federation, and operate at the level of the Eurasian Economic Union.

**Bahrain**

To avoid multiple-counting, the row for this Member reports numbers with asterisks, as the anti-dumping actions that it notified are the same as those identified in respect of the Kingdom of Saudi Arabia and operate at the level of the Gulf Cooperation Council.

**Botswana**

To avoid multiple-counting, the row for this Member reports numbers with asterisks, as the anti-dumping actions that it notified are the same as those identified in respect of South Africa and operate at the level of the Southern African Customs Union.

**Bulgaria**

Bulgaria became an EU member State on 1 January 2007. As of this date, previously taken national actions ceased to apply, and were replaced by EU-wide actions. Because EU notifies actions on behalf of all of its member States, the numbers for the EU are not additionally reported in this row.

**Czech Republic**

To avoid multiple-counting, the row for this Member reports numbers with asterisks. The Czech Republic, Latvia, Lithuania, Poland and Slovenia became EU member States on 1 May 2004. As of this date, previously taken national actions ceased to apply, and were replaced by EU-wide actions. Because EU notifies actions on behalf of all of its member States, the numbers for the EU are not additionally reported in this row.

**European Union**

All anti-dumping actions notified by the European Union operate EU-wide, i.e., in respect of all EU member States, which do not notify individually.

**Kazakhstan**

The numbers for the EU are not additionally reported in this row.
