*Please come slightly ahead of the time indicated. You may wish to invite your WTO Agriculture Attaché to accompany you.*

*Prior to these consultations, you should also have:*

- *Identified the regular notification obligations that you need to monitor and act upon on a yearly basis; and prepared a list of the outstanding notification obligations that you should address on a priority basis.*
- *Prepared details of any policy which is supposed to be notified and regarding which you have any doubt, including any other technical details.*
- *Prepared, if possible, the related draft notification to clarify doubts.*

*In consultation with your capital- and/or Geneva-based colleagues, you are strongly encouraged to prepare draft versions of any notifications that may be pending. This will be a useful basis for discussion with, and direct feedback from, AGCD staff and your delegation's contact point for WTO matters.*
