Solamente inglés

**Cuadros justificantes relativos a los compromisos sobre productos
agropecuarios consignados en la Parte IV de las Listas**

En el presente documento figura la documentación justificante relativa a los compromisos sobre productos agropecuarios consignados en la Lista XLIII - Nigeria.

Domestic Support: The Aggregate Measures of Support (AMS) to agriculture in Nigeria is negative since agriculture sector in general is not being subsidised. Agriculture like all economic sectors in Nigeria have been liberalised and commercialised and government involvement removed.

Export Competition: Nigeria does not grant any export subsidies on agriculture. The Marketing Boards System that used to regulate prices of cash crops have been abolished with the introduction of Structural Adjustment Programme in 1986.
