IDA’s COVID-19 Response
Speed, scale and selectivity
BUILDING A RESILIENT AND INCLUSIVE RECOVERY

**How much?**
$50-55 billion

**Where?**
About half of them in Africa
The rest are from:
- East Asia and Pacific
- Europe and Central Asia
- Latin America and Caribbean
- Middle East and North Africa
- South Asia

**70+ poor countries globally that are eligible for IDA financing**

**WHAT for?**
Helping countries address the crisis and transition to recovery through a combination of:

**Saving Lives**
- COVID-19 vaccine purchase and distribution
- Upgrading and equipping health care facilities
- Strengthening capacity of front-line health workers with training and PPEs

**Securing Foundations of the Economy**
- Increased access to financing for small and medium enterprises
- Infrastructure and social services development
- Addressing economic and social challenges in conflict and violence situations in the Sahel and Middle East

**Protecting the Poor**
- Creating jobs and economic opportunities for the rural poor
- Improved targeting and delivery of social assistance
- Water and hygiene supplies for communities

**Strengthening Policies and Institutions for Resilience**
- Reforms to help economic recovery
- Government budget support to manage shocks on its finances caused by COVID-19
- Establishing epidemic surveillance and management systems
