

AID FOR TRADE 10 YEARS ON KEEPING IT EFFECTIVE

WTO CTD
29 October 2015

Frans Lammersen

OUTLINE

Achievements

Changes in Aid and Trade

Challenges

- Expanding Partnerships
- Improving Effectiveness
- Breaking Down Silos

PARTNERSHIP

**A joint agenda,
...based on mutual commitments...
...build on transparency, and ...
...mutual accountability...
...creating incentives
for more and better aid for trade**

ACHIEVEMENTS

- **Prioritising trade**
- **Doubling support**
- **Building trade capacities and trade-related infrastructure**
- **Increasing trade, creating jobs and reducing poverty**

CHANGES

In trade

- **The trade collapse**
- **The focus of analyses**

In development

- **From MDG to SDG**
- **From public to private**

CHALLENGES

How to expand partnerships further

- With the providers of South-south cooperation
- With the private sector

How to make AfT more effective?

- Regional programmes
- Experiment with new forms of aid delivery

BREAKING DOWN SILOS

- **Improve connectivity**
- **Boost sustainable investment**
- **Promote green growth**
- **Contribute to delivering the SDGs**
