SESSION DESCRIPTION
(MAX. 150 WORDS WITH SESSION'S PURPOSE, MAIN TOPICS CONNECTED TO THE RELEVANT THEME, AND EXPECTED OUTCOMES)
<p>Does your company ship goods by ocean vessel around the world? Maritime shipping is an essential service for global companies. It accounts for 90% of global trade and approximately 3% of global emissions. Climate-leading companies have an essential role to play to drive ambition and accelerate the maritime sector's decarbonization. Come join leading global companies for a special lunch to learn more about the Zero Emission Maritime Buyers Alliance -- a first of its kind buyers alliance in the maritime space -- and network with other corporate executives and leaders.</p>
