

FFSR : challenges and opportunities in the context of an energy crisis

Virtual via Zoom and in Room W

18 October 2022 16:30 – 18:00 CET

This event is being organized in the context of "Trade and Environment Week 2022".

Abstract:

The issue of fossil fuel subsidy reform (FFSR) is gaining prominence in a range of international and regional fora, including at the WTO. This session will explore the challenges and opportunities of advancing FFSR in the current context of high energy prices, bringing together experts in the fields of energy supply, environmental and trade policy, and development. Session organised by the [Friends of Fossil Fuel Subsidy Reform](#).

Panel:

Speakers

Toru Muta, International Energy Agency

Grégoire Garsous, Trade and Agriculture Directorate, OECD

Jonas Kuehl, Energy Program, International Institute for Sustainable Development

Moderation: Marcel Vernooij, Deputy Permanent Representative, Permanent Mission of the Netherlands

This event is organized by: Friends of FFSR

The event will be held on Zoom and in room W at the WTO premises.
