29 October 2019

Marlynne Hopper
Deputy Head, STDF

standardsfacility.org
Goal
Increased capacity of developing countries to implement international standards and gain and maintain market access

Vision
Sustainable economic growth, poverty reduction, food security and environmental protection in developing countries
STDF’s work benefits MSMEs and facilitates safe trade

Global coordination platform, knowledge hub and network for SPS capacity building

Funds for innovative, cross-cutting SPS projects and project development
Good practice on latest SPS solutions

Facilitating safe trade/SPS e-cert
Public-private partnerships
Good regulatory practice
Prioritizing SPS investments
STDF’s investment supports farmers, processors, traders and governments to meet international standards, protect health, and access global markets.
