The Handbook on Notification Requirements does not constitute a legal interpretation of the notification obligations under the respective Agreement(s) or relevant legal provision(s). It has been prepared by the Secretariat to assist Members in complying with their notification obligations.
For Members which acceded pursuant to Article XII of the Marrakesh Agreement, their respective Protocols of Accession may contain notification obligations in addition to those set out in the WTO Agreements, and may govern the deadlines for the submission of their initial notifications.
WHAT MUST BE NOTIFIED?

- Laws, regulations and administrative procedures relating to safeguard ("SG") measures, as well as any modifications made to them, need to be notified. If a Member does not have any, it is enough to submit a one sentence notification to that effect.
- If a Member initiates any SG measure, various actions taken in the course of an investigation need to be notified.

WHICH MEMBERS MUST NOTIFY?

The obligations explained in this section applies to all relevant Members. See Part 2 to identify who the 'relevant Members' are.

WHEN TO NOTIFY?

Most notification requirements are ad hoc, meaning that they become due only when a specific action is taken by a Member. For more information on when to notify, refer to Part 2.

HOW TO NOTIFY?\(^1\)

The easiest way to notify is to send the notification in Word format by e-mail to the CRN (crn@wto.org). There is no need to send an official letter (e.g. paper letter with letterhead). Please see illustrative mock examples listing different situations and explaining when/how to notify depending on the situation.

\(^1\) All notifications, regardless of their subject content or the requirement under which they are being submitted, must be directed to the administrator of the Central Registry of Notifications (CRN), as indicated in document WT/INF/25/Rev.1. Notifications may be submitted through online submission systems, as electronic attachments to emails, by fax or on paper. As it may be practice, a copy of the notification may be sent to the Secretariat unit substantially handling the notification.
